NeoGames' Pariplay expands further in New Jersey following Resorts deal

The leading aggregator will enable Pariplay's proprietary games and selected third-party content to go live with the online arm of the Atlantic City institution

LUXEMBOURG, Jan. 11, 2023 (GLOBE NEWSWIRE) -- NeoGames S.A. (Nasdaq: NGMS) ("NeoGames" or the "Company"), a technology-driven provider of end-to-end iLottery and iGaming solutions, announced today that its subsidiary Pariplay has partnered with Resorts Digital Gaming, the online arm of Resorts Casino and Hotel – the first casino in Atlantic City – in a deal that will see the online brand take a collection of proprietary and third-party content via the Fusion[®] platform.

Tsachi Maimon, President of NeoGames, said: "The strides we have made in North America in 2022 has been outstanding, and we're delighted to add another strong casino brand to our retinue of partners in Resorts. We've worked extremely hard this year to bring our fantastic portfolio to as many brands and players as possible and it has been a very successful period for us."

Ed Andrewes, CEO of Resorts Digital Gaming, said: "Pariplay's Fusion[®] platform combines some of the most innovative and exciting games in the market, from a whole host of leading providers including Wizard Games, and we are excited to be able to offer them to our players."

Resorts Digital customers will be able to enjoy a plethora of titles from Wizard Games including successful localized titles as *Spirit of Mustang* and *Wolf Riches*. Aggregated content from some of the world's most sought-after studios will also be made available.

Pariplay's footprint across North America continues to grow, with the provider being approved to operate in five of the six jurisdictions in the United States that have regulated online gaming, as well as seven Canadian provinces.

The Fusion[®] aggregation platform provides a unified, single approach to content delivery with an offering of over 14,000 games from 80+ suppliers and a special focus on providing greater efficiencies and exceptional ROI for operators.
